**ARTICLE I – PREAMBLE**

**Section 1 – Purpose (General).**

The California State Polytechnic University, Pomona American Society of Civil Engineers Student Chapter exists for the betterment of the California State Polytechnic University, Pomona.

**Section 2 – Purpose (Specific).**

The California State Polytechnic University, Pomona American Society of Civil Engineers Student Chapter (CPP ASCE) provides essential value to our members and partners, advances the profession of civil engineering, and serves the public good by offering opportunities through competitions, industry exposure, leadership & professional development, networking, philanthropy, social events and scholarships.

- 1. Competitions.** Members will have opportunities to compete in the events facilitated at the Pacific Southwest Symposium (PSWS) including, but not limited to, Concrete Canoe, Steel Bridge, Technical Paper, additional technical events and intramural competitions. The civil engineer must be able to engage in a variety of activities and teamwork efforts.

2. **Industry Exposure.** Members will gain industry exposure through various mediums including, but not limited to, professional guest speakers at general meetings, opportunities to learn about various civil engineering disciplines and technical tours hosted at various civil engineering: agencies, departments, firms and projects. The civil engineer must be exposed to current industry practice.
3. **Leadership and Professional Development.** Members will have leadership and professional development opportunities including, but not limited to, election or appointment to various positions, leadership training, workshop attendance, engagement in activities with local ASCE Younger Member Forums and Branches, communication opportunities with professionals and attendance at both local and Society-Level ASCE events. The civil engineer must be prepared for industry and professional leadership.
4. **Networking.** Members will be provided with networking opportunities through General Meetings, networking events, workshops, and programs including, but not limited to, the Workshop for Student Chapter Leaders (WSCL), the ASCE Civil Engineering Student Championships, the National ASCE Convention and the Annual Civil Engineering Department Alumni Golf Tournament presented by CPP ASCE. The civil engineer must be able to cultivate diverse professional relationships.
5. **Philanthropy.** Members will have opportunities to aid our local community through a variety of outreach and community service programs, focused on humanitarian efforts. The civil engineer shall hold paramount the safety, health and welfare of the public.
6. **Social Events.** Members will have opportunities to attend social events geared at promoting sociability amongst members, department faculty, alumni and professionals. The civil engineer must be sociable in a variety of settings.
7. **Scholarships.** Members will be aware of all relevant scholarships, fellowships and job opportunities. Opportunities offered from a variety of sources including, but not limited to,

the Department, the College of Engineering, the University, ASCE and other industry opportunities. The civil engineer must be concerned with financial matters.

**Section 3 – Nondiscrimination.**

The California State Polytechnic University, Pomona American Society of Civil Engineers Student Chapter shall not be discriminatory in terms of race, ethnicity, religion, color, age, sexual orientation, national origin, citizenship, gender, physical or mental ability, marital status, financial or social status.

**Section 4 – Off-Campus Issues.**

This organization and its members, when taking stands on issues, recognize and will fulfill the obligation to make clear that they in no way represent the official position of the California State Polytechnic University, Pomona.

## **Section 5 – Campus Policies.**

This organization and its members, when conducting organizational business, on or off campus, recognize and will uphold the University's Alcohol & Other Drugs Policy.

## **ARTICLE II – NAME**

### **Section 1 – Official Name and Abbreviation.**

The official name of the organization shall be the California State Polytechnic University, Pomona American Society of Civil Engineers Student Chapter, hereafter abbreviated as the Student Chapter.

## **Article III – TRUST ACCOUNT**

### **Section 1 – Maintenance.**

This organization, pursuant to its charter obligation, shall maintain a trust account with the ASI Financial Services Office. Pursuant to the California State University Board of Trustees, the Executive Orders 648 and 731 state that all funds received on behalf of the University, its auxiliaries or affiliated organizations are required to be administered through the campus' Chief Financial Officer, the Vice President of Administrative Affairs. Student clubs and organizations are identified as affiliated organizations. The policy further states that any account with a bank or financial institution not approved by the campus' Chief Financial Officer is strictly prohibited.

### **Section 2 – Usage.**

All monies of this organization shall be deposited into, and disbursed from, this account following procedures outlined by ASI Financial Services. All monies raised and collected will be used solely by the Student Chapter or student competitions that directly support the Student Chapter.

### **Section 3 – Dispersal of Funds.**

Should this organization become inactive by failing to apply for charter renewal, the trust account will be held as an inactive account for two (2) academic years. In the event this organization does not become active during the two (2) year period, it is hereby declared that any funds remaining in said account are to be transmitted to the mailing address below, an educational, charitable

organization to aid this organization in carrying out its objectives. If said organization is no longer functioning at that time, or if its objectives are no longer consistent with its original educational, charitable purposes, then the funds of this organization shall be transferred to the Associated Students, Inc., California State Polytechnic University, Pomona, General Fund.

- 1. Mailing Address.** Should this organization become as describe above, transfer funds to:  
Civil Engineering Department  
3801 West Temple Avenue  
Pomona, CA 91768

#### **Section 4 – Exemption Status.**

As a chartered organization through the Associated Students, Inc. and belonging to the California State University System focused on education and the advancement of civil engineering, this organization shall have all powers now or hereafter available to non-profit public benefit corporations formed pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986 and Part I of Division 2 of Title 1 of the Corporations Code of the State of California, as amended, and the Articles of Incorporation.

## Article VI – ELECTIONS AND APPOINTMENTS

### Section 1 – Applications and Nominations.

Any application, nomination, election and appointment procedures not covered herein shall be expressed in writing to the Faculty Advisor for a decision. Applicants shall complete and submit an Officer Application to the current President along with their unofficial transcripts to the Faculty Advisor by the prescribed deadlines in the Officer Application or their nomination will be nullified. Applicants must meet all eligibility requirements as outlined in Article V, Section 4 in order to apply. Applicants must meet all requirements to hold Office and will discharge all duties and responsibilities ascribed to the Office in which they are applying for.

**1. Elected Officers.** Nominations for Elected Offices shall occur at the 3rd General Meeting of the Spring Semester, two weeks before the Election Meeting, OR in a written response to the Officer Application Email.

**1.1. Nomination Meeting.** Only Active Student Chapter Members in attendance at the Nomination Meeting may nominate candidates. Candidates cannot nominate themselves for Elected positions at the Nomination Meeting. The current Executive Board shall not nominate candidates. In the event the current President is seeking nomination, the next highest-ranking officer, determined by the Faculty Advisor, who is not seeking election shall conduct the Nomination Process. Candidates must accept or decline the nomination for Office at the meeting. If a nominated candidate is not at the meeting, they must accept or decline the nomination via email within twenty-four (24) hours to the President.

**1.2. Self-Nomination.** Candidates may self-nominate themselves after the Nomination Meeting by submitting an Officer Application by the prescribed deadline to the President.

**2. Appointed Officers.** Nominations for Appointed Offices shall only be made through a

self-nomination process by submitting an Officer Application by the prescribed deadline to the President.

**3. Honorary Officers.** Honorary Officers may not be nominated.

### Section 2 – Time of Elections.

1. **Elected Officers.** Elections for Elected Offices shall occur on the 4th General Meeting of the Spring Semester OR two (2) weeks following the Nomination Meeting but shall occur no later than April 1st.
2. **Appointed Officers.** Appointments for Appointed Officers shall occur via an interview process conducted at an arranged date, place and time occurring before April 30th.
3. **Honorary Officers.** Honorary Officers are predetermined.

### Section 3 – Procedure.

1. **Elected Officers.** Each Candidate for an Elected Officer position shall be given time for speeches based on the number of Candidates at the Election Meeting. Following each Candidate’s speech there will be a time for questions. At the conclusion of all speeches and

questions, voting shall be conducted electronically via a Google Form. All ballots will be inspected to verify Active Student Chapter Membership. Collectively the Faculty Advisor and standing President shall supervise and oversee all voting procedures, including voting, handling of ballots, final tallying and publication of results. Winners will be notified via email within five (5) business days following the Election Meeting. Candidates who lose an election can still apply for Appointed Officer Positions.

**1.1. Candidate Code.** The purpose of the Candidate Code is to establish set rules to promote a fair and just election of CPP ASCE Officers. The rules set forth herein apply to all candidates running for an elected position.

**1.1.1. Campaign Period.** The official campaign period, including active and passive campaigning, is to be between the Nomination General Meeting and the Election General Meeting. Campaigning shall not begin until after the Nomination Meeting.

**1.1.2. Types of Campaigning.** Passive Campaigning is defined as the act of wearing campaign paraphernalia, carrying signs, and the usage of other non-verbal methods. Active Campaigning is defined as the act of posting campaign materials, passing out campaign materials, interacting with students, and the usage of other physical and verbal methods. Examples include but are not limited to: banners, flyers, posters, t-shirts, buttons, and pens.

**1.1.3. Types of Campaign Material.** Printed Campaign Material is defined as any printed material, advertisement, or activity, written or verbal, used to promote or oppose either candidate or issue. Electronic Campaign Material is defined as any printed material, advertisement, or activity, written or verbal, used to promote or oppose either a candidate or issue.

- 1.1.4. Printed and Electronic Materials and Resources.** All campaign material, whether print or election, shall be submitted to the President or Faculty Advisor or approval prior to distribution. All printed and marketing on campus shall be in accordance with any University posting and any ASI posting policy, any housing policies, and college/department policies. No campaign material soliciting a vote shall be posted until the official campaign period begins. No campaign material shall cover another Candidate's campaign material.
