

2026-2027

CALIFORNIA STATE POLYTECHNIC UNIVERSITY, POMONA
AMERICAN SOCIETY OF CIVIL ENGINEERS STUDENT CHAPTER

SPONSORSHIP PACKAGE

CPP CE ALUMNI GOLF TOURNAMENT
FOUNDER PROFESSOR EMERITUS
DONALD G. WELLS, PE, MS

Dear Prospective Sponsor,

The Cal Poly Pomona American Society of Civil Engineers (CPP ASCE) is a dedicated community of undergraduate students committed to fostering academic, professional, and personal growth within the civil engineering profession. Throughout the year, our chapter organizes a variety of programs and events that provide opportunities for leadership development, professional networking, industry engagement, community service, scholarships, competitions, and social connection.

Over the years, the CPP ASCE Student Chapter has earned numerous awards and recognitions that reflect the hard work, dedication, and enthusiasm of our members. These achievements demonstrate our commitment to excellence both inside and outside the classroom.

Two of our key annual events are the CE Department Banquet & Job Fair and the CE Alumni Golf Tournament. These events bring together students, alumni, faculty, and industry professionals while strengthening the connection between academic and professional communities.

Your support plays an important role in helping our students participate in the annual Pacific Southwest Symposium (PSWS), where they compete in a wide range of technical and non-technical events alongside students from universities across the region. CPP ASCE has consistently placed among the top three schools in a competitive field of 14 universities, demonstrating the talent and dedication of our members. PSWS 2027 will be hosted by the University of Southern California (USC), Loyola Marymount University (LMU), and California Baptist University (CBU), providing another opportunity for our students to showcase their skills and represent Cal Poly Pomona.

We invite you to support our chapter through sponsorship or by sharing our mission with others who may be interested in contributing. Your partnership helps provide valuable educational experiences, professional development opportunities, and competition participation that prepare students for successful careers in civil engineering.

Thank you for considering support of the CPP ASCE Student Chapter. We appreciate your investment in the next generation of civil engineers and look forward to continuing our tradition of achievement and service.

Sincerely,
CPP ASCE

Thank You!

We are thrilled to extend our deepest gratitude to you on behalf of CPP ASCE for your exceptional generosity and kindness in supporting the Cal Poly Pomona ASCE Student Chapter. Your contribution holds immense value to us, and we are genuinely appreciative of your dedication to our mission.

With your benevolent financial contribution and moral support, we are excited to make an impactful difference throughout the year. It is your support that allows us to bring our vision to life and provide valuable opportunities to our student members. Once again, thank you for supporting us and investing in the growth of the Cal Poly Pomona ASCE Student Chapter.
