A Message To Our Sponsors

Dear Prospective Sponsor,

The Department of Civil Engineering at Cal Poly Pomona is a leader in polytechnic education, where hands-on learn-by-doing is the foundation of a broad-based educational experience. The department has one of the largest undergraduate civil engineering programs in the United States and produces approximately 15 percent of civil engineers in California. The civil engineering department offers a Bachelor of Science in Civil Engineering with options in general civil, environmental, and geospatial engineering, a Bachelor of Science in Construction Engineering and Management, and a Master of Science in Civil Engineering with options in structures, geotechnical, transportation, environmental and water resources, and construction engineering.

An important event for the department is the Annual CPP CE Alumni Golf Tournament founded by professor Emeritus Donald G. Wells, PE, MS. Affectionately known as "Water Wells", he was a leader in the environmental and water resources group within the Cal Poly Pomona Civil Engineering Department. Wells was actively engaged in student extracurricular activities and served for many years as the faculty advisor for the CPP ASCE Student Chapter. This event supports our fundraising efforts to continue creating ongoing opportunities for student development.

Your support, whether through monetary donations or simply by spreading the word would be greatly appreciated. Join us March 13, 2026 at the Anaheim Hills Golf Course in supporting these driven students to excel, inspire, and contribute to the field of civil engineering and the Legacy of Donald G. Wells.

Please note that sponsorship tiers including golf players have sold out. Marketing/Merch sponsorships are still available as well as individual tickets to the Cornhole Networking Lunch!

Sincerely,

CPP ASCE Golf Planning Committee

Alejandro Torres

Jenny Nguyen

THANK YOU

We are thrilled to extend our deepest gratitude to you on behalf of CPP ASCE for your exceptional generosity and kindness in supporting the Cal Poly Pomona ASCE Student Chapter. Your contribution holds immense value to us, and we are genuinely appreciative of your dedication to our mission.

With your benevolent financial contribution and moral support, we are excited to make an impactful difference throughout the year. It is your support that allows us to bring our vision to life and provide valuable opportunities to our student members. Once again, thank you for supporting us and investing in the growth of the Cal Poly Pomona ASCE Student Chapter.
