## ASCE Fun Facts

### ASCE Society Level

**Vision:** Civil Engineers are global leaders building a better quality of life.

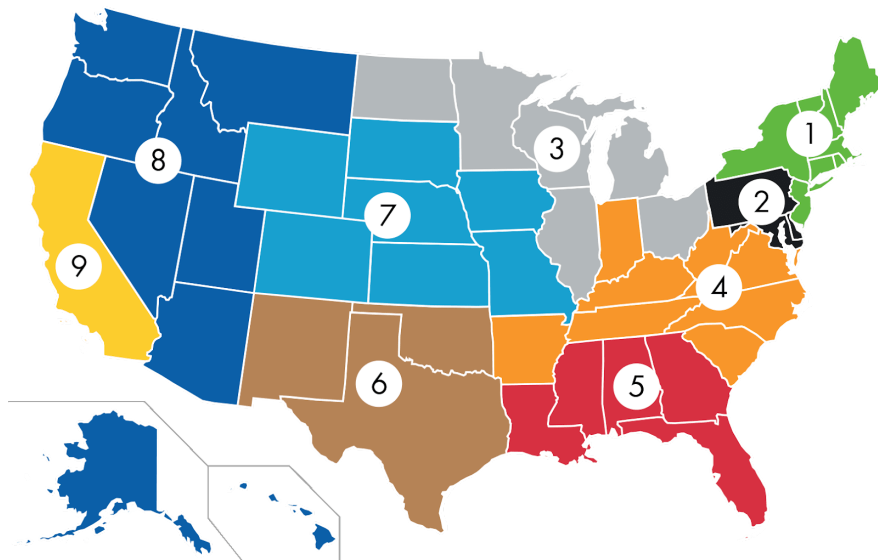

**Mission:** Provide essential value to our members and partners, advance civil engineering, and serve the public good.

### ASCE Establishment

The American Society of Civil Engineering was established in 1852. Cal Poly Pomona ASCE Student Chapter was established in 1965. CPP ASCE turns 56 this year!

### ASCE Organizational Structure

Society members are organized by small local groups called Branches. Branches are grouped together into Sections. Sections are grouped together into Regions, each headed by a Director. There are nine regions within the United States and one international region, Region 10. The Cal Poly Pomona Student Chapter falls under Region 9, within the Los Angeles Section and the San Bernardino/Riverside Branch!

## **First-Year Representative Application**

Are you a freshman or first-year transfer student and want to get more involved with ASCE? Apply for our First-Year Representative Position! This is a great way to improve your leadership, planning and communication skills while getting involved with ASCE.

Applications are due on **Thursday, September 23, 2021 by 5 PM**. Please refer to the department email for more information.

## **CPP ASCE Events/Socials**

### **General Meetings & Webinars**

General Meetings serve the purpose of keeping the members informed of the latest CPP ASCE events and news. At each meeting, we invite a variety of professional guest speakers and panels to provide more insight on the industry.

### **CPP ASCE Socials**

CPP ASCE organizes various socials throughout the school year to help members meet fellow engineering students, promoting networking and maintaining relations.

### **Mentorship Programs**

CPP ASCE provides a variety of mentorship programs for our members, including student-to-student and alumni-to-student mentoring.

### **Q&ASCE**

Q&ASCE is a Discord channel where students can have their questions answered or receive assistance on engineering and school related topics.

### **Professional Development Workshop (PDW)**

The Professional Development Workshop is an annual event created to help prepare students professionally for upcoming job fairs and interviews, while also creating a networking opportunity amongst students and professionals.

### **Donald G. Wells Alumni Golf Tournament**

The Donald G. Wells Alumni Golf Tournament is an annual fundraising event hosted in commemoration of faculty member, Donald G. Wells. Funds are raised to assist student-led competition teams and award the Don Wells Memorial Scholarship.

## Annual ASCE Student Conference

The Annual ASCE Student Conference provides an opportunity for members to grow their relationships with each other through teamwork and develop technical skills. The memorable experiences that first-time attendees gain, in addition to the desire to succeed, motivate students to remain involved in ASCE.
