ASCE Fun Facts

ASCE Society Level
Vision: Civil Engineers are global leaders building a better quality of life.
**Mission:** Provide essential value to our members and partners, advance civil engineering, and serve the public good.

ASCE Establishment
The American Society of Civil Engineering was established in 1852. The Cal Poly Pomona ASCE Student Chapter was established in 1965. CPP ASCE turns 60 this year!

ASCE Organizational Structure
Society members are organized by small local groups called Branches. Branches are grouped together into Sections. Sections are grouped together into Regions, each headed by a Director. There are nine regions within the United States and one international region, Region 10. The Cal Poly Pomona Student Chapter falls under Region 9, within the Los Angeles Section and the San Bernardino/Riverside Branch!

CPP ASCE Events & Socials

General Meetings & Webinars

General Meetings serve the purpose of keeping the members informed of the latest CPP ASCE events and news. At each meeting, we invite a variety of professional guest speakers and panels to provide more insight on the industry.

CPP ASCE Socials

CPP ASCE organizes various socials throughout the school year to help members meet fellow engineering students, promote networking, and maintain relations.

Mentorship Events

CPP ASCE provides a variety of events such as our Alumni Reunion Event, Alumni Mixers, and more for our members, which include student-to-student and alumni-to-student mentoring opportunities.

Marketing Yourself Workshop

The Marketing Yourself Workshop is an annual event created to help prepare students professionally for upcoming job fairs and interviews, with specific focus toward professional presentation.

Professional Development Workshop (PDW)

The Professional Development Workshop is an annual event created to help prepare students professionally for upcoming job fairs and interviews, while also creating a networking opportunity amongst students and professionals.

Cal Poly Pomona Civil Engineering Department Alumni Golf Tournament

The CPP CE Department Alumni Golf Tournament is an annual fundraising event hosted in commemoration of faculty member, Donald G. Wells. Funds are raised to assist student-led competition teams and award the annual Don Wells Memorial Scholarship.

Annual ASCE Student Conference

The Annual ASCE Student Conference known as the Pacific Southwest Symposium (PSWS), provides an opportunity for members to grow their relationships with each other through teamwork and develop technical skills. This year, it will be held at California State University, Los Angeles!
